## How We Set Our Tuition:

Besides providing top quality, accredited, Christian education and having longer and more school days than most schools in the area, Trinity has the simplest tuition and fee structure. Tuition is set to cover the cost of providing this education with careful stewardship. Our tuition and fees already include technology, field trips (except 8th grade trip), and a yearbook. A Trinity education actually costs around \$9000 for each full time student. Funds not generated by tuition, are raised through the generous donations of our congregation, alumni, and community. Additional support comes from our annual “Advance the Potential” event, PTO Tiger Run, and the generous donations of those in our community.

## Volunteer Rebate:

We love our volunteers! Each family who logs 20 or more hours of volunteer service during the 2017-18 school year is eligible to receive a \$125 rebate! Simply log your volunteer hours in the school system, and submit your request form before school ends in June.
