

The Tiger Run is one of Trinity Lutheran Christian School's PTO fundraisers. The PTO's mission is to enrich the TLCS community through events or with financial assistance to the school. Some fundraisers sell products or services, this fundraiser gives an opportunity for families and friends to support the PTO through a flat cash donation. 100% of the monies received go directly to the TLCS community.

The day of the run we encourage everyone to wear neon. The PTO provides a dinner, music and prizes to all who participate the night of the run. It will be a fun night for all.

We have set a school goal to raise \$2,500. If we can meet our goal we will have an Ice Cream Party for the whole school. We will have prizes for the students who raised the most as well as some weekly prizes as students bring in their money raised.

Our top prize this year is an iPad Air 2 16GB.

This year's primary fundraising goal is to raise money for field trips. We hope to exceed that amount so we can also contribute to new classroom and curriculum needs.

This year we are trying something new using an online fundraising program in addition to the paper form. Look for an email on how to participate online.

We look forward to everyone participate in this great event!
