Dear Trinity Families,

Transitioning from the relaxing days of summer to the structured days of school can at times be difficult. Here are a few suggestions to help you glide more easily into September:

1. Set and enforce regular weekday and weekend bedtimes.
2. Use an egg timer to get your kids used to focussing for specific periods of time.
3. Create an inbox for kids to leave things that need your attention, like permission slips.
4. Touch base with teachers early on to troubleshoot any issues your child may be having.
5. Do something fun to diffuse this stressful time of year for all of you!

Blessings,

Marsha Wolfe
