“Patience is a loyal friend who brings peace to any situation”

Dear Families,

While working with my third and fourth graders on the topic of Growth vs Fixed mindset, I asked them to tell me about a time when they had to overcome an obstacle that got in their way of accomplishing a goal they had set for themselves. As I listened to them explain how hard they worked to overcome the obstacles standing in their way, I was deeply impressed to see that these kids already have a personal belief that they can learn and grow through challenging situations.

The importance of having a Growth Mindset is important for all of us as we persevere through this next quarter of Distance Learning.

I am reminded of this verse in 2 Corinthians vs 8-9 which really speaks to the value of a positive attitude:

8 We are pressed on every side by troubles, but we are not crushed. We are perplexed, but not driven to despair. 9 We are hunted down, but never abandoned by God. We get knocked down, but we are not destroyed.

Blessings and Love,
Marsha Wolfe
