October 21, 2020

To Trinity Lutheran Christian School families, Trinity congregation members, all personnel and prospective families.

Following guidance from health officials and Governor Kate Brown, Trinity Lutheran Christian School will remain online through the end of the second quarter which ends on January 22, 2021. We will continue to monitor all the necessary requirements for reopening, and when Multnomah County has met the state’s requirements as it pertains to infection rates Trinity will reopen for in person instruction.

Please continue to join us in praying for the safety of all during these challenging times and especially for our teachers, as they continue to teach Trinity’s students remotely and for our students and families as they continue their education with us. Include prayers for those who are making decisions about the school year asking that they have wisdom and discernment as they do so.

Mrs. Marsha Wolfe, Principal Trinity Lutheran School
